7. Grants 9 – Presentation by Marcella Samuels

Marcella Samuel, Director for Grants 9, provided a synopsis of the organization.

Ms. Samuel explained the differences between the 501(c)(3) and 501(c)(6) non-profit organizational statuses. She noted 501(c)(3) status exempted an organization from federal, state, and local taxes, however, this would also prevent the organization from lobbying, providing organizational support to political candidates, or receiving support from primarily political organizations.

Ms. Samuel stated 501(c)(6) organizations were exempt from federal taxes, but not necessarily state and local taxes. She noted 501(c)(6) organizations could engage in political campaigns, support political candidates, and receive support from political organizations, so long as this was not their primary activity.

Ms. Samuel stated she would need to study the Veterans Affairs Committee bylaws, mission statement, finances, and other relevant information in order to be able to recommend a particular direction for the Committee. She noted there were fees associated with the application and filing a 1023 or 1023-EZ form with the IRS.

Discussion was held and Ms. Samuel responded to questions.
