NEW CASES

1. C10-23-04 AGAVE SUN LLC NEW MULTIFAMILY DEVELOPMENT / 4441-4459 EAST BELLEVUE ST / R-2

The appellant, Lois Pawlak, is appealing the Planning and Development Services Director's (PDS) decision to approve Design Development Option (DDO) Case DDO-23-08. Case DDO-23-08 is a request by property owners, Agave Sun LLC, to construct a new, two-story multifamily development with reduced front street and side perimeter yard setbacks. The property owners filed a Design Development Option (DDO) application with the Planning and Development Services Department requesting the zoning approval necessary to allow the new, two-story multifamily development to be constructed with reduced building setbacks, as measured from the south, west, and east property lines. The DDO application was approved by the PDS Director, finding the project in compliance with all required DDO General and Specific Findings of Tucson *Unified Development Code (UDC)* Section 3.11.1.D.1&2. The appellant is requesting a reversal of the Planning and Development Services Director's decision to approve DDO-23-08.

2. C10-23-06 POVERELLO HOUSE OF TUCSON / 267 EAST BLACKLIDGE DRIVE / R-2

The appellant, Laurie Clark, is appealing the Zoning Administrator's Determination (TZ-CMP-0223-00063), issued April 21, 2023, relating to the land use classification of the Poverello House as a "Home Occupation: Adult Day Care" use. Pursuant to the authority granted the Zoning Administrator (ZA) by UDC Article 11.3.1.B, when a proposed use does not "conform to the wording of any Land Use Class description, the Zoning Administrator shall determine the most appropriate Land Use Class for that use." The appellant contends that the Poverello House fails to provide Adult Day Care services that can be licensed by the Arizona Department of Health Services (ADHS) and that the use cannot be classified as a Home Occupation as it involves a non-profit business conducting its operations within a residential house.

3. C10-23-07 STEARS RESIDENCE NEW GARAGE / BART STEARS / 8499 EAST WOODLAND ROAD / SR

The applicant's property is an approximately 3.37-acre lot zoned SR "Suburban Ranch" and is developed with a single-family residence and three detached accessory structures. The applicant is proposing to construct a 2,700 square-foot detached accessory structure

(garage/ shop). Tucson *Unified Development Code (UDC)* sections applicable to the project include, but are not limited to, Section 4.7.4 and Table 4.8-1 which provide the criteria for residential development in the SR zone; and Section 6.6.3 which provides the development standards specific to accessory structures for residential uses. The applicant is requesting variances to allow the total gross floor area of all accessory structures (200 square feet or larger) to exceed 50% of the combined total gross floor area of the principal structure, and to allow the new garage/ shop to exceed the maximum allowable height, all as shown on the submitted plans.
