9. Call to the Audience

Mel 15

One member of the audience, Randy Johnson, addressed the PACDC Committee. He directed his statement to the Santa Rita Park artist selection panel stating, *“I propose that your Panel review, and hopefully recommend implementation of, PACD’s Free Wall resolution. This would be in addition to, NOT a replacement for, the commissioned artwork in the call to artists. The verbiage of this resolution (attached), adopted unanimously in the summer of 2022, covers all the selling points of this idea.*

To be clear, I am not proposing the panel consider me personally as an artist to create a commissioned work at Santa Rita Park. Therefore, the requested documents below are not applicable. Note to AFTSA: please ensure the Panel sees this proposal, do not censor it. Remember that PACD has the power to reject the Panel’s recommendation(s), and PACD would not be pleased to hear that AFTSA has removed it’s own resolution from consideration by the Panel.”

This is the time when any member of the public may address the Public Art and Community Design Committee Members. Due to time constraints, the total time allocated for this is 15 minutes. Individuals are allowed three (3) minutes each. Due to Open Meeting Law, Committee Members cannot discuss topics that are not on the agenda. Items brought up by the public may be considered as an agenda item for a future meeting.
