Arizona Capital Source, the new name for BDFC, a Tucson IDA and Small Business Administration lender focused on 7a and 504 loans, is requesting Board Approval for a Charge Off Request for a loan provided to Avenue Boutique. The balance of the loan is ~\$19,000, the portion of Tucson IDA is ~\$15,000. A notice of default was recorded with the Pima County indicating a Trustee Sale. Due to the low balance of the loan the continuation of the foreclosure on the borrower's home is excessive. Following the discussion, the Board has entrusted Chris Squires and Dre Thompson with the task of analyzing the available options and presenting a comprehensive overview, to ensure greater clarity and support an informed decision-making process

No further action was taken by the Board at this time.

20 min

4th Item: FY2026 Draft Budget Review and Consider for Approval **062025-02**

The CEO presented the FY 2026 Draft Budget for review and consideration. The IDA Budget outlines \$2,019,440 in projected revenue and \$1,319,942 in expenses. The Board reviewed the budget and program revenue sources, noting that 35% of revenue is derived from local grants, 25% from Groundswell Capital, and 17% from parking lot operations. Regarding expenses, \$675,000 is initially recorded as an expense but represents deferred revenue that is later recognized. Additionally, 69% of total expenses are related to staffing. After discussion, the recommendation is that the Board approve the FY2026 Draft budget as presented.

Of the total funding \$675,000 will be allocated directly to homebuyers, with each receiving up to \$9,000 in assistance, supporting approximately 75 home purchases. The remaining \$75,000 will cover operational costs, which will be submitted for monthly reimbursement.
