7. Tucson Police Department:

A. TPD Updates regarding events or developments relating to TPD during the prior month

Lt. Stacie Schaner stated that the board received an update on collaborative crime prevention efforts, including coordination with service providers, outreach agencies, prosecutors, and federal partners. Discussion included the definition of 'case clearance' and improvements in follow-up investigations, even when victims are uncooperative, to better address gun-related crimes and identify at-risk individuals. Announcements were also made regarding upcoming community meetings: the ODW Division Advisory Committee meeting and a public open house on the proposed Star Village safe sleeping site, both scheduled for the following evening.

B. Office of Professional Standards/ Updates regarding events or developments relating to the Office of Professional Standards during the prior month.

Lt. Lissette Gomez shared with the board that an update was received for on case tracking. Currently, 107 cases are open—66 within OPS and 41 in the chain of command—reflecting a lower caseload than last year. From January to June 2025, 97 cases were closed: 4 EC-1, 26 EC-2, and 67 EC-3. The update also clarified the distinctions between EC classifications and emphasized continued efforts to improve practices, even when no policy violations are found.

8. Office of Independent Police Auditor

Mitch Kagen discussed upcoming TPD training for CPARB in October.

Kagen handed out Tucson City Code, Articles VIII and XIII. He discussed board member term limits and CPARB authorizations per ordinance. He suggested CPARB consider asking City Attorney Zenzen to submit code amendments to Mayor and Council exempting CPARB members from term limits in light of the 80-hour training required prior to board service. Additionally, he suggested CPARB request of Zenzen, to craft amendment to have ordinance detailing voting member requirements to reflect the 80 hours of training required by State statute. Kagen also suggested CPARB consider other-than-TPD training in light of their mission pursuant to Code to address community member perspectives and needs.

Kagen also notified the Board that additional efforts were being made to have Advisory Member Flanary be considered for an open Ward seat.

9. CPARB Vacancies

Vice Chair Nuñez noted that the Ward 1 and Ward 2 seats are still vacant.
