

Pursuant to A.R.S. § 38-431.02, notice is hereby given to the members of the **Tucson Pima County Bicycle Advisory Committee (TPCBAC)** and to the general public, that the TPCBAC held the following meeting, which was open to the public:

The **TPCBAC** conducted a public meeting on **September 17, 2025** via Microsoft Teams.

Draft Meeting Minutes

Note: Note keeping was challenging that day as Krista Post was not able to make it, and multiple other members were absent

1. Roll Call, Call to Order, and Approval of Minutes previous meeting.

A significant number of people were not present who had attended the previous meeting – so no vote was taken on the meeting minutes for August, which was rescheduled for the October meeting.

2. Call to the Public.

We had a visitor (but just for interest) – and one email that was recently sent to us regarding street maintenance – Mike Hendrix is taking / will take care of that

3. Updates from Law Enforcement.

No one from Law enforcement was present

4. Discussion / updates on widening I-10 / modification Kina / Alvernon

Discussion I10/Kina/Alvernon – ADOT (Jeremy Moore and Carissa Klaus: We had a presentation. We asked for slides to be shared – they couldn't promise that yet – but likely will do. (Potentially Lydia follow-up?). Question from us: Was BAC involved in the early design phase? (likely yes – but likely that was many years ago – around 2020?)

5. Discussion letter to UofA for deterring bike theft

Moved to next time as Krista Post could not be here

6. Review progress TPCBAC members of recording safety gaps.

Moved to next time as Nicole Sanderson could not be here

7. Filling BAC vacancies / website updates / outreach

We have some new interests that are in the pipeline of processing.

8. Announcements, Updates, and Questions for Related Entities.

Loop Subcommittee (Randy Ford) – gave some pointers – also regarding "bike culture" (e.g., calling out "on your left") – and how to better educate the public about that

9. Announcements, Updates, and Questions for Staff.

Mike Hendrix and Hannah Oden provided some updates

10. Discussion on a future in-person meeting / or committee outing

Point to be dropped in the future - as there seems to be not enough interest

11. Discussion next meeting dates // Goal Setting/Next Meeting.

(a) Mike Hendrix on "Valentia Road" treatment - about 20 minutes.

(b) Discussing Bike Culture in Tucson (What is the culture? What should it be? Examples of other countries and Cities? How to educate the public?)

12. (If time allows) Personal introduction of (new) BAC members

New members introduced herself

13. Adjournment.

Adjournment around 19:15
