Michael Catanzaro City Energy Manager

Absent:

2) Call to the Audience

No audience present.

3) Approval of Minutes

Minutes from 1/29/26 meeting were unanimously approved.

4) Discussion of Data Center Energy Analysis and Follow On Actions

1. text version of prez we made
2. dan working towards deadline of june
3. natalie mentioned - would like to see diesel generators included
 1. would be possible if we knew nameplate capacity of diesel stuff in WECC
 2. nevermind natalie said - we can let that go
 3. PDEQ has zero information on fuel burning and diff tiers
4. natalie's additions
 1. just comments provided to garrett
 2. simplify it and make it digestible
 3. hard when doing technical information
 4. whatever makes them read and understand the fastest
5. summarize
 1. the small inline comments garrett can address
 2. plots will be prettier

3. the sorted by energy intensity will be removed and it'll just be the day in the week
4. and those graphs will be made large so u can read everything
 1. make axis labels bigger
5. executive summary will be made into a full page
 1. m&c read one page, tep read the rest of it
6. mention that estimates on current resource mix
7. after we make changes, we send it to dan
6. moving forward
 1. send to michael and lindsey
 2. garrett makes changes, send via michael, and then we propose changes via michael
7. recommendations
 1. assurance of clean energy
 2. influencing the TEP IRP to properly account for the energy demand from project blue
 3. asking TEP and private company to find non-ratepayer money to fund EE programs and development of clean energy infrastructure
 4. not put at risk net-zero goals when finding energy sources

5) Call to the Audience

No audience present.

6) Future agenda items

No future agenda items.

7) Adjournment - Chair Sanghi adjourned the meeting at 5:02 pm
