3. Discussion of Planned and Potential Agenda Items for Future CCES Meetings

Discussion of potential agenda items for the August 2025 commission meeting as a result of a public request to look into issues related to data center projects in Tucson. The commissioners agreed that the issue should be brought up for a vote during the full commission meeting. There was also a discussion of inviting some experts in various areas related to data centers to present to the commission if the vote passed.

- Commissioner Stormont suggested inviting a representative from Tucson Water and possibly from Tucson Electric Power and Beale Infrastructure.
- Commissioner Weaver mentioned some possible contacts in data center development.

4. Future Agenda Items

No outstanding future agenda items.
