**3. Storm to Shade Improvements at Armory Park
220 S 5th Ave (Parcel #117170600)**

Courtesy Review

Storm to Shade is City of Tucson's green stormwater infrastructure program. Storm to Shade's Armory Park East GSI project was designed to capture stormwater runoff in basins and swales just east of the center and in the ROW. The two main goals of this project are to alleviate flooding near center's entrance with our landscape improvements and to revegetate and beautify the landscape with native and low water use plants.
