completeness of the record. **No ratification was required because no legal action was taken on ITEM 5 PSPRS TUCSON POLICE AND TUCSON FIRE ELECTION PROCESS UPDATE from June 4, 2026:**

Ms. Curbelo stated that the election process is going well. Both Tucson Fire and Tucson Police have been collaborating on sending out information on the election and the process to PSPRS members who are eligible to vote. This was completed via daily bulletins emailed 3 days in a row to all PSPRS members. They were notified that their ballots were mailed to their home address on file. Ballots have started coming into the PSPRS Local Board office. A PSPRS member from Tucson Police and another from Tucson Fire have been assigned to assist in counting ballots on Monday June 15, 2026.

Tucson Police board member Mark Ewings, whose term ends June 30, 2026, will not need to be attendance for the July 9, 2026, PSPRS Tucson Police Local Board Meeting. He stated that his time on the PSPRS Local Board has not always been fun but has always been something that he has definitely learned from. What has been great is working with everyone and going through this process and honestly educating himself on the procedures and the growth. Being on a board has its unique challenges that were not expected. Mr. Fimbres thanked Mr. Ewings for always being prepared. Ms. Rosenberry presented to Mr. Ewings a certificate of appreciation on behalf of the PSPRS Tucson Police Local Board.

E. The Board reviewed the discussion items from the June 4, 2026, meeting for completeness of the record. No ratification was required because no legal action was taken on ITEM 6 FUTURE AGENDA ITEMS
-Election Results

F. The Board reviewed the discussion items from the June 4, 2026, meeting for completeness of the record. No ratification was required because no legal action was taken on ITEM 7 FUND/OFFICE INFORMATION

- Ms. Curbelo mentioned that the PSPRS Local Board Office has been working with the STARS system contacts continuously providing feedback and collaborating on troubleshooting. They have been very responsive and have provided access to completing pension benefit estimates. They are making a concerted effort to help the employers with their requests. Until all the components are up and running, members will need to continue to complete the applications for entering DROP, Exiting DROP and normal retirements with the Local Board Office.
- Mr. Ewings stated that he was able to update his beneficiaries in the new STARS system, which is a nice feature.

Please note: Legal Action may be taken on any agenda item

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting the Tucson PSPRS office at 791-4282. Requests should be made as early as possible to allow time to arrange the accommodation.

* Pursuant to ARS 38-431.03(A)(3) and (4): the board may hold an executive session for the purposes of obtaining legal advice from an attorney or attorneys for the Board or to consider its position and instruct its attorney(s) in pending or contemplated litigation. The board may also hold an executive session pursuant to A.R.S. 38-431.03(A)(2) for purposes of discussion or consideration of records, information or testimony exempt by law from public inspection.

- The PSPRS Local Board office has been working with city personnel on ensuring the contribution payments for PSPRS are made on time to avoid being charged interest if not paid by May 29th. The CFO from PSPRS contacted the PSPRS Local Board Office inquiring on why the City of Tucson was not making the PSPRS contribution payments going back to the March 2026 payrolls. Ms. Curbelo provided him with the name of Lisa Lopez, a city finance manager who was charged with setting up the banking information in the STARS system and making the payments on behalf of the city. This was causing issues for the PSPRS members as they weren't seeing their contributions in their STARS portal as these are reflected in their accounts once the contribution payments are made. Going forward, everyone involved in this process should have a good understanding of what their role is and the PSPRS office will no longer send out reminders to City of Tucson Finance to make PSPRS contribution payments by the deadlines.
- Ms. Rosenberry stated that the City of Tucson legal office is still planning on providing the PSPRS local board members with a letter outlining how the City will handle PSPRS members who leave their job due to a disability retirement and return to work into a non-PSPRS ADA compliant position.
- Ms. Curbelo stated that members who have returned to work into a non-PSPRS ADA compliant position have been contacted by the City of Tucson HR Director, Teri Traaen who has informed them that should they terminate their new employment, a snapshot has been taken of the leave balances at the time they ended their PSPRS position and they will be paid out up to those balances at their PSPRS job rate of pay.
- Once the STARS system is fully up and running and members can submit their request to enter DROP through their portal without notifying the PSPRS local board office, their PSPRS contributions will continue being taken out of their check in error which will require retroactive adjustments through payroll. To avoid this, the PSPRS Local Board Office would like to request that the Application to enter DROP form be completed and returned to them to ensure contributions are stopped on time. Issues will also exist when members go to Exit DROP or submit for a normal retirement. The local board office works with them on their leave balances estimate and paperwork required if they choose to have any of it as deferred compensation. Mr. Ewings stated that Tucson Police requires that members leaving their employment complete a checklist which lists the PSPRS office as well. Ms. Curbelo stated that more time is needed as they normally come checkout with the PSPRS office on or close to their last day of employment.

Overall, some categories were reduced, and others were increased and where needed, a reallocation can take place. In the end, any necessary expenditure by the local board office must be paid by the employer regardless of the budget adoption and the local board office is very efficient with expenditures.
